Boxed Soaps

Aum Amriteshwaryai Namah

Handmade Artisan Soaps

CALENDULA-CHAMOMILE ~ \$6.00/bar, \$8.00/box

This soothing bar contains Chamomile tea and the sunny orange Calendula flowers, grown in the ashram herb fields, infused into the oils. Calendula is one of the most soothing and healing herbs for the skin. These herbs combine beautiful to yield glowing pinky yellow bar. Gently scented with Frankincense, Amyris, Lavender, and Litsea essential oils.

FRESH - with Aloe and Cucumber ~ \$6.00/bar

Aloe, known as *kathalai* in Ayurveda, has been used for healing and beauty for the skin, since ancient times, giving a smooth silky feel to both lather and skin. Cucumber is another classic luxury ingredient; ours were grown on the ashram farm. Refreshingly scented with Lemongrass, Litsea, Rosemary, and Blue Eucalyptus essential oils.

FOREST ~ \$6.00/bar, \$8.00/box

Fresh as a stand of cedar, the scent of this soap reminds us of Alaska. This soap was made with pine needle tea lovingly collected from our ashram pine trees. It also contains Alaskan Glacial clay, Rhassoul clay and chlorophyll. The oils and butters are luxurious. Scented with Black Spruce, Juniper, and Cedar essential oils.

MARIGOLD - Honey Citrus Spice ~ \$6.00/bar

This is a Fall version of our favorite honey and citrus soap, made with raw honey from the ashram bees. We used our Marigold flowers both infused in oil and as inspiration. Bar includes Australian Red Reef clay and Yellow clay swirls. Its intoxicating scent includes Orange, Litsea, Lemongrass, Cedar, Patchouli, and Clove essential oils.

ROSEY G'OATS ~ \$6.00/bar, \$8.00/box

Goats and Oats! It's a classic. When the wind is chilling and drying your skin, nothing tops this combination to ever so gently exfoliate and soothe. Nicely superfatted. Our version has creamy milk from local goats, personally petted by the ashram soapmaker. It also contains Rose clay and French green clay, scented with Lavender, Geranium, Rosemary, and Spearmint essential oils. A favorite.

PURE (*Limited Quantity*) ~ \$6.00/bar, \$8.00/box

Unscented, with Goat's milk and Honey. Some people are purists....and want their soap a little simpler. If you know someone who is sensitive to even the best of natural scents, this unscented and uncolored soap is perfect for them. Made with our wonderful Mango Butter and Sweet Almond oil base, honey from our bees and local goat's milk. The nourishing gentleness of this pure bar can't be beat.

Packed with everything good, this is not your basic lip balm! Rich butters and luxury oils such as argan, jojoba, and hemp plus infusions of calendula and plantain pair with the sweetest beeswax from the ashram bees that makes the balm smell like a breath of honey. This lip balm deeply nourishes

Whipped Body Butters \$14. - 2oz

Varieties

Infused with Calendula flowers and roses from the ashram herb farm as well as frankincense. Scented with frankincense, and an intoxicating real rose and blend essential oils.

A stunning companion to our popular Forest soap, it is infused with botanicals and luxury oils. The cedar, juniper, and spruce scent is very grounding and calming, wonderful for anyone who loves nature or the outdoors.

Infused with the beautiful Tulasi from the ashram herb fields and other skin loving plants, it is rich in nourishing organic Hemp and other oils. This body butter is a favorite with both men and women, and those with skin that needs a little extra care. It is scented with Lemongrass, Rosemary, and Lavender.
